Usage Guideline

What It Is ?

Train your sense of direction
through outdoor exploration.

Turns everyday walking into a
spatial navigation game.

Beginner Challenge

 85

Difficulties    Initiator: Official

 **HKBU Campus, Zhuhai**

Introduction:

This beginner challenge is designed to help new users get familiar with the training flow and core interactions. Through simple target-based exploration and guided prompts, you will experience a complete navigation training session without relying on digital maps, preparing you for more advanced challenges ahead.

Recommended for:

Beginners / First-time spatial navigation trainees
